

The BGES School (ICSE)
12B Heysham Road
Kolkata 700020

ADVANCE NOTICE

(FOR CLASS 8 ACADEMIC YEAR 2022-23 ONWARDS)

Dear Parents,

In keeping with the current changing trend in the Education policy of the country, the Council for ICSE Examinations has proposed introducing Artificial Intelligence & Robotics as an Optional subject in Group III for ICSE Examinations March 2025.

We at the school are contemplating introducing this subject as an **alternative choice** in lieu of Computer Applications, (Computer Application choice will remain) as an optional subject in Group III. As such, teachers of The BGES school are undergoing intensive training and you as parents may give this a thought for students who will be in class IX in 2023.

Details will be communicated as and when available

Thank you.

Brij Bhushan Singh
Principal
