

All students of Nursery to Class 4, during the winter months (1 Dec '19 to 31 Mar '20) may wear protective clothes if the parents so desire. However, to maintain uniformity, the school advises that black slacks/ lycra leggings may be worn by the students and if there is a requirement of cap, it may be black in colour (either hand knitted or purchased).

P.S – Classes 5-10 will strictly adhere to the winter dress code specified in the Diary

Thank you.
