The Council has indicated that schools should be prepared for a long period of Covid-19. Towards this end, from the academic year 2021-22 council likely to adopt assessment pattern similar to the IB Board and Cambridge Board in effect it means continuous evaluation of the student throughout the year.

The continuous assessment done by schools will have to be submitted to the Council on regular basis. There is no further detailed clarity available at this point of time. Exact format will be given by the council in a later time frame.

As always, we will be prepare ourselves in advance for such an eventuality. From the starting of Academic year 21-22 onwards for classes 9 and 10, the following will be implemented in the school .

1. For all subjects without exemption, monthly class performance of students will be evaluated on the basis of interaction, seriousness, punctuality, regularity (as explained earlier) and communication with the teacher during the online classes, and the same will be accessed and tabulated. This report should be ready by the last working day of each month. **Maximum marks will be 10.**
2. Each month one MCQ type surprise assessment must be conducted, lasting 30/40 minutes. **This may be of 20 Marks.**
3. Periodic written work, will be given to students throughout each month and the same shall be evaluated and **compiled for 20 marks.**

NON-SUBMISSION/ABSENCE WILL LEAD TO ZERO IN THAT SEGMENT, FOR THAT MONTH.

1. Therefore, every month, 50 marks continuous evaluation and assessment for each student will be available.
2. This will be over and above the first term/annual/ preliminaries examination where applicable.
3. For SUPW, written work may be substituted with practical assignments at home and uploaded as video and art work, alternatively.
4. For PT ONLY Para 1 will be applicable **Maximum marks will be 50.**

Periodic written work as above will be over and above project work, for First Term/Annual/Preliminaries.

NO CHANGE IN PATTERN OF FIRST TERM/ANNUAL/PRELIMINARY EXAMINATIONS.

The term 'Monthly' mentioned above, will mean calendar month. If part month is working then also assessment in all three fields as per marks allocation, will be done, based on number of classes conducted and quantum of written work done.

On receipt of instructions modification to this will be done as required. Till then the above policy will be effective Monday 17 May 21.
