Notice for the Parents**

Dear Parents,

Sub: Measles Rubella Campaign of West Bengal.

You are aware that Measles is one of the major causes of childhood mortality and morbidity in India. Our country is committed to eliminating Measles and controlling Rubella Congenital Rubella Syndrome.

As part of the key elimination strategy, the Measles-Rubella vaccination campaign is rescheduled to be held in West Bengal from 9th January 2023 to 11th February 2023. A successful campaign will involve vaccination of all children of age group 9 months to less than 15 years.

The campaign will be initially school-based.

Hence active participation and cooperation of parents and guardians are highly required for the successful implementation of the program.

You are requested to grant permission for your child/ward to be administrated MEASLES RUBELLA VACCINATION by Kolkata Municipal Corporation, on the school premises.

Please fill up the google form link attached. (Cut paste link in your browser) It is compulsory to fill the google form giving consent or otherwise.
