

NOTICE

There has been a case where a Parent has questioned the school's verification procedure for handing over the child without the Escort Card. In view of the above, the following instructions should be followed strictly –

- Every time a Parent/ Guardian does not bring the Escort Card to collect the child, a written application, along with a printed photocopy of ID proof has to be submitted to school office and a temporary escort slip taken to collect the child, only for that day.

Thank you.
