ENGLISH 1 PROJECT

**LISTENING SKILLS IN ENGLISH LANGUAGE**

*(To be conducted in school during school hours as per the schedule laid down in the diary for both the 1<sup>st</sup> term and Final evaluation)*

A passage will be read aloud by the examiner twice. During the readings you may make brief notes on the rough paper you will be given.

At the end of the second reading, you will answer the questions in ink on the question paper.

The duration of the assessment is **30 minutes**, which includes the time taken for the two readings and answering the questions on the paper.

**SPEAKING SKILLS IN ENGLISH LANGUAGE**

*(To be conducted in school during school hours as per the schedule laid down in the diary for both the 1<sup>st</sup> term and Final evaluation)*

(Preparation Time: **One hour**)

(Presentation Time: **2 minutes**)

Examinees are required to speak to examiners for about two minutes on any one of the five given topics. At the end of the presentation the examiners will start a discussion with the examinee on the topic spoken, for about **three minutes**.

The examinee may refer to brief notes on the course of the presentation but reading or excessive dependence on notes will be penalized.

One hour will be given to prepare the topic independently.

Marks are awarded for Speaking Skills on the following criteria:

- Fluency
- Subject Matter
- Organization
- Quality of Language
- Delivery

**Class 5**

Even non- living objects have interesting stories to tell. Write a descriptive essay in three paragraphs, titled The Autobiography of a Cupboard. Imagine that the cupboard is talking in first person. Use these clues for help. Add a few details of your own.

Old Burma teak cupboard- 150 years old- made by craftsman in Calcutta- bought by rich merchant- wife kept clothes and jewels- children played hide and seek- later a mirror was added- years have passed- seen many people come and go- cupboard still in same place- wood is chipping, dust has gathered- nobody cares- present owners to shift houses- cupboard will be left behind or sold.

You can begin like this-

I am a hundred and fifty year old Burma teak cupboard....

Read the section on opening the pineapple tin. Use the details to write a paragraph on The disasters of opening a pineapple tin without an opener.

Remember to include these points-

- what you need to use to open a tin
- the simplest way of opening a tin
- the consequences when you do it in strange ways.

You can begin like this-

Many people think that opening a tin of pineapple is very easy. However, if you were to forget the opener....
